VENUE INFORMATION
Conference Venue-KINTEX 1 (Korea International Exhibition Center) 1.

KINTEX (Korea International Exhibition Center) is located in Ilsan, the newest international exhibition and convention venue, located in Ilsan (suburb of Seoul) of Korea. KINTEX is conveniently located from Korea's major international airports ( Gimpo International Airport and Incheon International Airport) and connected to the northeastern end of Seoul, only 30-45 minutes away from downtown Seoul by public transportation. It is also close to various tourist attractions and shopping centers, including Lotte, Dongshin Market, and Lotte World Tower and N-Seoul Tower.
